

Circles and Lines

p. 1 of 1
Key of C

Chorus

C C⁶ C

If you and I

Gm

Had all that's said between us

Gm

C

Connected with circles and lines,

C C⁶ C

Would all the lines

Gm

Be pointing one direction,

Gm

C

Would all of the circles combine?

Verse 1

C

Well, I think that you

C⁶

Should admit to the truth,

Gm

C

Connect the dots between you and I.

C

And I think that you

C⁶

Should see all of our circles

Gm

C

Are centered on the same point in life.

(REPEAT CHORUS)

Verse 2

C

Well, I think it's true

C⁶

That all of our circles

Gm

C

Are centered on this point in our lives.

C

And I think that you

C⁶

Should be ready to prove

Gm

C

That you and I are falling in line.

(REPEAT CHORUS)
