

Poem for My Girl (Deb's Song)

p. 1 of 1
[Key of G]

Verse

G
I wrote a poem, just for you,
D
Didn't know what you'd do,
D
So I put it in my pocket, left it there,
G
'Til that shirt got washed and hung in the air,
G
And then the words dried out and blew away,
D
And someone heard a man exclaim,
D
"Would you listen to that, would ya looky there,
G
There's a song that's blowin' in the air..."

Chorus

G
Might be a poem for my girl,
D
Might be a song just for you,
D
It might be words from someone else,
D# G
But he wrote it with my point of view!
G C#dim
Might be a melody I knew somewhere,
D
It might be somethin' new,
D G
Might be a poem for my girl, a song for you!

(Repeat All – Instrumental Verse - Chorus)
