Chorus

G C
No, no, baby, don't you go,

go babyin' me, babyin' me!
G C
No, no, baby, don't you go,
D

Verse 1

G
Don't you know I drive a racing car,
C
So very fast and very far,
G
The world looks like a blur to me?
G
Did you know I moved a mountain,
C
Just to build another mountain,
G
With a crew of forty big machines?

-CHORUS-

Verse 2

G
Don't you know I flew a fighter plane,
C
Shootin' Saddam Hussein,
G
And he was shooting back at me?
G
Did you know I rode a camel
C
Sixty miles across the desert,
G
Just to bring a sheik a cup of tea?

-CHORUS-

Verse 3

G
Don't you know I built a shopping mall
C
At least a hundred stories tall,
G
With thirty floors of basement, too?
G
Did you know I built a ship or two,
C
And took 'em on a shakedown cruise
G
Around the Horn to Timbuktu?

-CHORUS-

Verse 4

G
Don't you know I made the deepest dive,
C
The only man to see alive,
G
The deepest trenches of the sea?
G
Did you know I own a bank or two,
C
And if I had a hanker to,
G
I'd show you all the mo-o-oney?

CHORUS

G C
No, no, baby, don't you go,
G
go babyin' me, babyin' me!
G C
No, no, baby, don't you go,
D
go babyin' me, babyin' me!

Verse 5

Don't you know I preached the Gospel to
A tribe of very hostile dudes,
Who all looked like Goliath to me?
Did you know I made a cattle drive
And kept a thousand head alive,
With just a dog, a mule, and me?

-CHORUS-

Verse 6

Don't you know the army wanted me,
'Cause being all that I can be
Is more than any enemy?
Did you know that in the Cavalry,
The Indians were scared of me,
They heard about my bravery?

CHORUS (2-3 X)

No, no, baby, don't you go,
go babyin' me, babyin' me!
No, no, baby, don't you go,
go babyin' me, babyin' me
