A
That's the way life is, she said
A D A
We've got to be going on our way, 'cause that's the way life is,
A
If we call it a day, she said.
A D A
We've got to be better off someday, 'cause that's the way life is,

*Verse 1*

E
So we pulled up roots, and we put on our boots,
A
And we waltzed away from there,
D
And they didn't come behind us,
D
'Cause they didn't really mind us being gone,
D A
And we don't care,

*[REPEAT CHORUS]*

*Verse 2*

E
And they didn't come to find us,
E
'Cause they didn't really mind us being gone,
E A
And we don't care.
D
That's the way life is, when you pull up roots,
D A
And you walk away from there,

*[REPEAT CHORUS]*

A D A
We've got to be better off someday, 'cause that's the way life is,
A D A
We've got to be better off someday, 'cause that's the way life is,
